

PLANET INFINITY EXPERIENCES

WADI EL HITAN NOCTURNE

Most trips show you the desert. This one hands you the night. You arrive as the light turns gold, eat by the fire as the sun drops behind the dunes, and stay awake through the hours everyone else sleeps through — under the darkest sky left in Egypt.

- 07:00 - 07:45 PM Sunset at Camp**
We arrive as the sun goes down, settle into our private campsite, and watch the desert shift into night.

08:00 PM - 04:30 AM The Night

This trip exists for what happens after dark. Our camp sits far from any city light, under one of Egypt's darkest skies — and you get the whole night of it.

Grilled Burgers & Hot Dogs

Fresh off the grill during The Night.

Silent Desert Walk

Lights off, a short walk to let your eyes adjust to the sky.

Astronomy Session

Telescope observation, constellations and planet viewing.

Bedouin Dinner

A full traditional dinner served around the fire.

Night Photography

Guided Milky Way and long-exposure shots.

Campfire & Bedouin Tea

Storytelling and slow hours under an open sky.

**04:30 – 06:00 AM Sunrise Party**

As the sky starts to turn, the music comes back on and the whole camp gathers on the sand to watch the sun rise over Wadi El Hitan — dancing, coffee and one of the best sunrises in the Egyptian desert.
