SCHOOL HUNT.

Your school. Your people.
An experience to create together.

Real Dahab archive photograph from Planet Infinity. Atmosphere only.

A proposed senior-school experience in Dahab: a trip, a team championship and a shared community, shaped with participating schools.

5 DAYS / 4 NIGHTS **DAHAB ONLY** **IN DEVELOPMENT**

February 2027 is provisional. Dates, programme, hotels, prices and awards are not confirmed. No booking or payment is made at this stage.

THE IDEA

School spirit.
Shared ownership.

School Hunt brings senior school communities together for supervised challenges, creative moments and new connections. The detailed programme will be developed with school requirements in mind.

01 Compete fairly

The proposed championship gives schools comparable opportunities regardless of delegation size. Every school remains involved through the finale. Three placements and prizes are proposed, subject to budget, partners and approval.

02 Help shape the experience

Students can gather ideas with classmates. Each participating school has a voice on approved challenge categories and selected activities. Think teamwork, creativity, observation and problem-solving - categories to explore, not a confirmed programme.

03 Keep the surprise

Independent Game Control protects the treasure hunt plot, puzzles, solutions, locations, final sequence and internal judging controls. Co-creation gives schools a voice without revealing the game.

04 Build connections that continue

A proposed youth crew of 10–30 senior students helps gather ideas and open school, senior-trip, prom and sponsor conversations. Members can continue as university connectors after graduation.

A final celebration is part of the proposed experience. The venue, format, awards and all activity details require approval before enrolment.

FOR SCHOOLS

Start with your school. We will take it from there.

Submit school interest first. Tell us your estimated group, your contact role and the kind of stay your school would prefer. Then we contact you to explore the fit.

PROPOSED PACKAGE PREFERENCES

Essential	Start with value and the shared experience.
Comfort	Explore a more comfortable stay for the group.
Premium	Discuss upgraded accommodation preferences.
Help us choose	Receive a recommendation around your school.

These are discussion tiers, not confirmed hotel packages. Hotel names, room arrangements, inclusions, prices and availability will be agreed in the final offer.

Your school’s next steps

1. Submit interest and a package preference. 2. Speak with Planet Infinity about your school, dates, group and stay. 3. Review the final written offer, permissions and approval process before confirming.

Planning numbers

Target: 10 schools. Minimum: 20 students per school. Working average: 25. Delegations of 40–50 can be discussed within verified capacity. Applying is not a reservation.

Approval comes before participation

School approval, appropriate supervision and parent or guardian permissions where required must be agreed before travel. Please do not send student lists, IDs or medical details in the initial form.

The February 2027 / before-Ramadan target remains provisional and must be checked against school calendars and service availability.
